**CROWFOOT VALLEY RANCH METROPOLITAN DISTRICT NO. 1  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for Douglas County on December 3, 2002, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located in Douglas County, Colorado.

The District was organized to provide financing for the design, acquisition, installation and construction of sanitation improvements, water improvements, street improvements, traffic and safety control improvements, park and recreation improvements, transportation improvements, television relay and translation improvements, mosquito control, fire protection, emergency medical services, and operation and maintenance of the District. Under the Service Plan, the District is the Service District related to Crowfoot Valley Ranch Metropolitan District No. 2, the Financing District ("District No. 2").

On November 4, 2014, the District's voters authorized general obligation indebtedness of \$53,000,000 for street improvements, \$53,000,000 for parks and recreation, \$53,000,000 for water supply system, \$53,000,000 for sanitary sewer system, \$53,000,000 for traffic and safety control, \$53,000,000 for public transport, \$53,000,000 for fire protection and emergency response facilities, and \$106,000,000 for refinancing of District debt. This voter authorization replaced the voter authorization of December 3, 2002. District voters also approved authorization for the District to retain and spend District revenues, from any lawful source, in excess of the spending, revenue raising or other limitations in Article X, Section 20 of the Colorado constitution. Emergency reserves, required under TABOR have been provided.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District's service plan sets a mill levy cap for payment of general obligation debt and for operations and maintenance of 70.000 mills district wide, with 20.00 mills for operating costs. Additionally 6.75 mills is designated for fire protection, payable to the Castle Rock Fire Protection District.

**CROWFOOT VALLEY RANCH METROPOLITAN DISTRICT NO. 1  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues - (continued)**

The operating mill levy may include an additional levy not to exceed 10.00 mills for subdistricts created to serve specific areas within the district.

The method of calculating assessed valuation of residential assessment rates in the State of Colorado changed to 7.20% from 7.96% for property tax years 2017-2018 on April 17, 2017 with a report submitted to the State Board of Equalization. Accordingly, the mill levy has been adjusted upward to reflect the change assessed value calculation. The general fund mill levy increased to 77.388 from 70.000 mills and the fire protection mill levy increased to 7.462 from 6.750 mills.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10.0% of the total property taxes collected by the General Fund.

**Developer Advances**

The District is in the development stage. As such, the Developer will fund expenditures necessary for the District's general operations and capital infrastructure development for 2019. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer under agreements approved by the Board.

**Net Investment Income**

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1.5%.

**Expenditures**

**General and Administrative Expenditures**

General and administrative expenditures have been provided based on estimates of the District's Board of Directors and consultants and include the services necessary to maintain the District's administrative viability such as legal, accounting, managerial, insurance, meeting expense, and other administrative expenses.

**Payment to Town**

The District has entered into an intergovernmental agreement with the Town of Castle Rock for fire protection and emergency response services. The Town of Castle Rock was required to build a new fire station to service the District and as a result the District agreed to levy 6.750 mills, as adjusted for changes in assessed valuation, and remit the proceeds, net of collection fees, to the Town annually.
